

PLEASE KEEP FOR FUTURE USE DURING ADVERSE WEATHER

Sedro-Woolley School District 2016-2017 Emergency Communications Bulletin

Emergency Message Line 360-855-3573 (Spanish 855-3538)

(Recorded information regarding school schedule changes)

We are in that time of year when the chances of poor road conditions due to flooding, high water, snow, ice and thawing increase every day. If these conditions are present, the Sedro-Woolley School District will have several levels of operation from which to choose: 1) Schools Closed; 2) Schools Open – Limited Bus Transportation; and 3) Schools Operating on Two-Hour Late Schedule. These levels of operation are part of the Emergency Communications System that our district will utilize if deemed necessary to ensure the safety for the students we transport.

The district will select one of the appropriate levels listed below and announce these on public radio and television stations listed at the end of this notice. **No announcement means normal operations. Announcements are for one (1) day only and are generally made by 5:30 a.m.**

Levels of Operations Explanations:

- **Schools Closed:** All schools will be closed for one day only. All field trips, after school activities, meetings, etc., will be canceled for the day.
- **Schools Open, Limited Bus Transportation:** This means that buses will not operate in the following areas when the limited schedule is announced. **All students will be picked up (AM) and dropped off (PM) at the same location regardless of changes in weather.** If your child rides a school bus, please check with the bus driver for your pick-up location if your road is on the limited transportation list. You can also call the Transportation Department at 360-855-3504.

Amick Rd	Hathaway Hill	North Pinelli Rd
Bacus Hill	Helmick (past Reservation)	Old Day Creek Rd
Baker Heights Rd	Hoogdal Branch Rd	(past "C" Street)
Buchanan Hill	Janicki Rd	Pipeline Rd
Delvan Hill	Knapp Rd	Portabello Rd
Finn Settlement	Lake Cavanaugh (past Mile Marker #4)	Prevedal Rd
Garden of Eden Hill	Little Mountain	Valeria Rd
Grip Road	Morford Rd	Valley View Rd
(between Prairie & Hoogdal Branch Rd)	Mountain View	Walker Valley Rd
Gunderson Rd	Nookachamp Hill Rd	

- **Schools Operating Two-Hours Late:**
 - All bus schedules will be two hours later than normal
 - **Pick-up and drop-off locations will be the same for both AM/PM that day**
 - Pick-up and drop-off locations for alternate routes will be communicated to each student
 - No zero hour classes at Sedro-Woolley High School
 - No late start Professional Learning Wednesdays, if delay is on a Wednesday
 - No AM Northwest Career & Technical Academy (Skills Center) transportation
 - No AM preschool (Good Beginnings, Co-Operatives, Cub Club) or Head Start

- No before school programs, at all
- Breakfast will not be served
- ELL Program will be decided by 1 p.m.
- Lake Cavanaugh – parent call. (Pick-up/drop-off at Mile Marker #4)

- **No Out of District Transportation:** This involves all special programs including regular special education, hearing-impaired, McKinney/Vento (homeless) students, and Northwest Career & Technical Academy (Skills Center).

- **No Field Trips:** All educational trips within the district and sites outside of the district will be canceled.

- **Athletic Trips:** All organized sports events that will require traveling to other school districts will be determined by 1:00 p.m. each day.

- **Meetings:** All meetings and events will be determined by 1:00 p.m. each day.

- **Unannounced Changes:** Since conditions change rapidly, please be prepared for unanticipated changes your child’s bus driver may make while in route. These can include: route changes, time changes, bus stop changes, etc. The drivers are highly skilled and trained to handle their busses under all conditions, and their professional judgment under adverse driving conditions will often determine unannounced late changes. **Bus routes and stops for transportation home will be the same as in the morning.**

Listen to the radio between 6:00 a.m. and 8:00 a.m. if you feel the weather may create hazardous traveling conditions. Radio and television stations will be announcing schedule changes by district name (Sedro-Woolley) and district number (101). **Please do not call the radio stations.** You may call the District’s **Emergency Message Line 855-3573**, for the latest schedule changes, or access the information through the internet at <http://www.schoolreport.org> or the District’s website <http://www.swsd.k12.wa.us>

If there is no announcement of the Sedro-Woolley School District No. 101 on the radio or television stations listed below, then there will be normal school operations for the day.

FM Stations		AM Stations
