

Partnering with teachers to identify challenges students face in class or at home and coordinating with community partners to bring outside resources inside schools.

I WORK WITH STUDENTS WHO NEED

- Support around attendance, academics, or behavior
- Social/emotional support
- Basic needs resources
- Connection to community resources

SUPPORTS I OFFER

One to One Check-Ins

Individualized support, goal setting, connection to other support resources

Small Group Facilitation

Small groups focused on skill-building and social development

School-Wide Supports

Activities offered to all students that foster growth toward a shared goal

Family Engagement

Support to help families feel connected to other families and to school staff

Community Resources

Connection to community resources and organizations

Care closet

basic needs closet containing clothes, hygiene products, school supplies and snacks!

This is a general framework of support, but my role and the specific services I can offer will grow and develop as I collaborate with Cascade Middle School and learn more from the school community about what services and resources are needed. I look forward to partnering with all of you to help students succeed!
