* 4th Grade writing was integrated into the SBA ELA Test for the 2015-16 assessment

Mission Statement

Our Core Belief

At Clear Lake Elementary, we create an environment which develops a student's fundamental skills, connects them to their community, and creates a lifelong learner.

Principal's Message

As we begin another school year at Clear Lake Elementary, I am energized and deeply committed to making a positive difference in the lives of your children. As a dedicated staff, we will work diligently to foster an atmosphere that promotes a learning community characterized by quality instruction nurturing each child's emotional, social, and academic growth.

Summary of 2015-2016 Accomplishments

- Clear Lake Elementary was recognized as a School of Distinction for Washington State.
- Clear Lake Elementary was awarded Washington Achievement Award. This reflects improved student performance and growth over the past 3 years in reading and math.
- We implemented a building-wide focus on math and writing.
- We have strong Professional Learning Communities in all grades.
- Our enrollment is continually increasing.

2016-2017 Building Goals

Quality Instruction:

- Professional Learning Communities: Committed to working collaboratively with a focus on student engagement. Staff meets weekly on Professional Development Wednesdays and in Professional Learning Communities focused on our students' academic goals.
- Core Instruction: Committed to having a Clear Purpose, increased Student Engagement, and using Assessment Strategies and Data to make informed decisions to improve instruction.
- Targeted Interventions: Committed to working together to provide needed support for our students. Using our workshop and intervention time wisely to provide support for students throughout the classroom.

Opportunities for Parents to Participate

We encourage everyone to participate in their child's education. Given our unique VISIONS Program and its requirements for volunteer hours, and our other classrooms where we highly encourage participation, Clear Lake Elementary is unique in the sense that we commonly have more volunteers on sight than employees. We hope you will join us.
