

SWSD Math Resources

The SWSD website offers math information and resources which can help parents when working with their child at home. Listed below are the directions on how to access the Investigations-TERC II games and the math games website links.

How to access the Investigations-TERC II Games:

1. Go to the SWSD website: www.swsd.k12.wa.us
2. At the top of this page go to the tab, "Student Learning" and a pull-down menu will appear. Click on "Math Information".
3. On the left-hand side of this page, under the word, "Contents", click on "TERC II Games".
4. Locate your child's grade and click on the games listed below that grade level.

How to access the math websites:

1. Go to the SWSD website: www.swsd.k12.wa.us
2. At the top of this page go to the tab, "Student Learning" and a pull-down menu will appear. Click on "Math Information".
3. On the left-hand side of this page, under the word, "Contents", click on "Math Games".
4. Choose a math website and have fun!
