

Cutting Hunger on Weekends (C.H.O.W.) Program
Helping Hands Food Bank

If you have kids from ages 0-18, we want to help your children get already available, FREE, supplemental food by delivering it directly to your door on Saturday mornings. No questions asked. Delivery times are typically Noon Friday to 9 AM Saturday.

Helping Hands Food Bank has opened enrollment in the Cutting Hunger On Weekends (C.H.O.W.) program to **ALL** families in Skagit County. This is the “backpack program or the “CHOW bags” that used to come to school, but is now being delivered to your door. Sign up at <http://www.weekendfood.org/>.

Washington residents only, please. Questions or concerns? Email weekendfooddelivery@gmail.com or call (360) 856-2211 ext. 3. Thank you!
