Family Income Survey
(School Year: 2022-2023)**

***If you have been notified by the SWSD Food Service Department that your student(s) has been qualified for F/R benefits for the 22-23 school year, please skip to page 3 of this form.**

Dear Parent/Guardian:

Schools receive certain federal and state funding (Learning Assistance Program, teacher incentives, etc.) based on the number of children from households that are at or below the federal poverty level. This Family Income Survey provides your child’s school a way to collect household income information. This information makes sure your child’s school receives the full amount of federal and state funding and makes sure your child receives services they are entitled to when free/reduced price applications are not collected.

Please complete and return this form to your student’s school office or the Food Services office at 780 Cook Rd. Sedro-Woolley, WA 98284.

HOUSEHOLD is defined as all persons, including parents, children, grandparents, and all people related or unrelated who live in your home and share living expenses. If you’re applying for a household with a foster child, you may include the foster child in the total household size.

HOUSEHOLD INCOME is considered to be any taxable income each household member received before taxes. This includes wages, social security, pension, unemployment, welfare, child support, alimony, and any other cash income. If including a foster child as part of the household, you must also include the foster child’s personal income. Do not count foster payments as income.
