

**Annual Notification for  
Highly Capable Program Identification  
Sedro-Woolley School District**

The Sedro-Woolley School District offers a Highly Capable Program for exceptionally advanced learners in grades K-12. We are now accepting referrals for the 2017-2018 school year.

Referrals will be accepted for students currently in Kindergarten through 11th grade. Referral packets may be obtained from individual building secretaries, the District Office, or the Sedro-Woolley School District website beginning February 22, 2017. Forms must be returned to the Highly Capable Administrator, 23953 Prairie Road, Sedro-Woolley, WA 98284 by March 15, 2017.

Assessments are scheduled to begin in spring of 2017. Students meeting the screening criteria will be assessed by multiple measures to determine eligibility for program services. The Multi-Disciplinary Selection Committee (MSC) screens all referrals and makes the final decision for placement in the Highly Capable Program.

School offices will also have referral forms available in Spanish and Russian if needed.

For further information please call or e-mail Mischelle Darragh, Highly Capable Program Administrator, at 855-3540 or [mdarragh@swsd.k12.wa.us](mailto:mdarragh@swsd.k12.wa.us). Or contact the Sedro-Woolley District Offices at 855-3500.
