

The Grizzly Growl

Letter from the Principal, Mr. Cullum

Hello,

Spring is here and so is state testing. Students in grades 3rd-6th will be taking state assessments in reading and math. Please contact your child's teacher regarding testing schedule. Spring is also a reminder about spring cleaning, which might explain the increase in clothing items on our lost & found rack. If you know that your child is missing a particular coat or that special shirt, or perhaps you can't find that matching sock, well you just might want to take a look through our lost & found rack!

As a staff, we are still focusing on instructional feedback to students and student-to-student feedback; as well as Cognitive Guided Instruction for mathematics and responsibility Center Discipline for student management. We use our PDW, Professional Development Wednesdays to review and learn about these programs and instructional techniques.

One final note, the SWPD will be here on May 6th to have lunch with students during their lunchtime.

Thank you

Mike Cullum
Principal, Mary Purcell Elementary
