

# The Grizzly Growl

## Letter from the Principal, Mr. Cullum

Hello,

We are nearing the end of another great year. Our 3rd - 6th grade students are finishing up on their state SBA testing schedule and finishing with a few district assessments as well for literacy K-6 and math. We have several activities during the last few weeks, please check with your child's teacher regarding special class trips and year-end parties. We will be having our all school BBQ and Field Day on June 11th, and our traditional year-end slide show on Friday the 14th. Due to having a full day of school this year we will also be having a student talent show on the last day of school. And, if you haven't seen our lost and found rack please do so, we have more clothes on that rack than a Nordstrom Spring Clearance Sale!

Enjoy the last few days of school and especially have a safe and wonderful summer.

Thank you

Mike Cullum  
Principal, Mary Purcell Elementary
