

Lyman Elementary

A Welcome From Mr. McPhee

Dear Kindergarten Family,

Congratulations and welcome to Lyman Elementary! The 2023-2024 school year is approaching and the staff at Lyman is looking forward to working with your child. For those of you who are new to our school, I would like to personally welcome you and your child to the Lyman family. For those who are returning, we are looking forward to another exciting and engaging year.

We have one full-day kindergarten class. The first day of school for first through sixth grade students is Tuesday, September 5th. However, kindergarten will have a different schedule for the first week of school. The first three days are set aside for the WaKIDS Family Connection component for full-day kindergarten. The WaKIDS Family Connection meeting is a 30-minute opportunity for you and your child to meet his/her teacher, share information about your child, and ask questions. The goal is to help families and teacher begin to build relationships so that they can work together to help your child be successful in school. This is an important step as your child transitions into kindergarten, so please make arrangements to attend.

Included in your child's registration paperwork is a *Washington State Kindergarten Transition Summary Form*. Part of our work as a District is to connect and communicate with our preschool partners. This form should be completed for students entering our schools by whomever their Pre-K teacher was, whether it was a preschool or daycare setting. If your child did not attend any formal preschool or daycare, then please complete the form from the parent perspective. *Washington State Kindergarten Transition Summary Form* is intended to provide a brief overview of your child's strengths and uniqueness in order to create a smooth transition as they enter kindergarten.

The first day for kindergarten students is set for Friday, September 8th. Doors open for students at 9:10 and class starts at 9:25. There is a Parent Orientation from 9:25-10:25 on September 8th. Looking forward to a great year together!

Sincerely,

Scott McPhee
Principal
